Virginia Natural Gas Peninsula Headquarters: the short list

Three sites, ranked on the rule VNG gave us: proximity to City Center at Oyster Point, Port Warwick and VNG's current Newport News office at 746 Diligence Dr, scored and double-weighted. This edition drops the Costco-owned Ferguson remainder (Costco told us it is not an option) and the City Center Expansion Area, and adds two client-nominated properties: the former Continental plant at 615 Bland Blvd in Newport News and the Oxford Plaza office building at 1 Enterprise Pkwy in Hampton. CHKD's tract at 591 City Center Blvd stays at number one; CHKD has not responded yet. Each site carries its owner and broker contacts.

Part 1: site short list · Part 2: CHKD brokerage contacts · Part 3: owner and broker contacts for 615 Bland Blvd and 1 Enterprise Pkwy

Removed in this edition: City Center Expansion Area (was #2) and the Costco-owned Ferguson remainder (was #3, Costco declined)

Numbers are new ranks; the previous number is shown for cross-reference

Sites on the short list: two in Newport News, one in Hampton

14.93 ac
CHKD tract, 591 City Center Blvd, about 1 mile from 746 Diligence Dr, still #1

27.4 ac
615 Bland Blvd, former Continental plant, 366,000 SF, sold to Phoenix Investors Sept 2026

63,029 SF
Oxford Plaza, 1 Enterprise Pkwy, Hampton, on 5.46 ac, for sale and lease

What changed, and what the two new sites really are

Costco is off: you spoke with them and the Jefferson Ave remainder is not an option. The City Center Expansion Area is off at your direction. CHKD's 591 City Center Blvd tract is still the only site that meets the brief VNG gave us (City Center address, walkable restaurants, a mile from 746 Diligence Dr, 10-plus acres, office by right), and we are still trying to reach CHKD. The two additions were nominated by you and are scored on the same rule as everything else, so they land below CHKD on purpose. **615 Bland Blvd** is a 27.4-acre, 366,000 SF closed auto-parts plant on M-1 land three miles up Jefferson Ave, across the street from the new Costco, and it changed hands on 29 Sept 2026 to a Milwaukee industrial investor that bought it to lease to manufacturers. **1 Enterprise Pkwy** is a 63,029 SF Class A office building on 5.46 acres in Hampton Roads Center, seven miles east in Hampton, for sale and for lease today. Neither is a City Center site; one is an operations-base candidate, the other a move-in-ready office that is under the acreage floor.

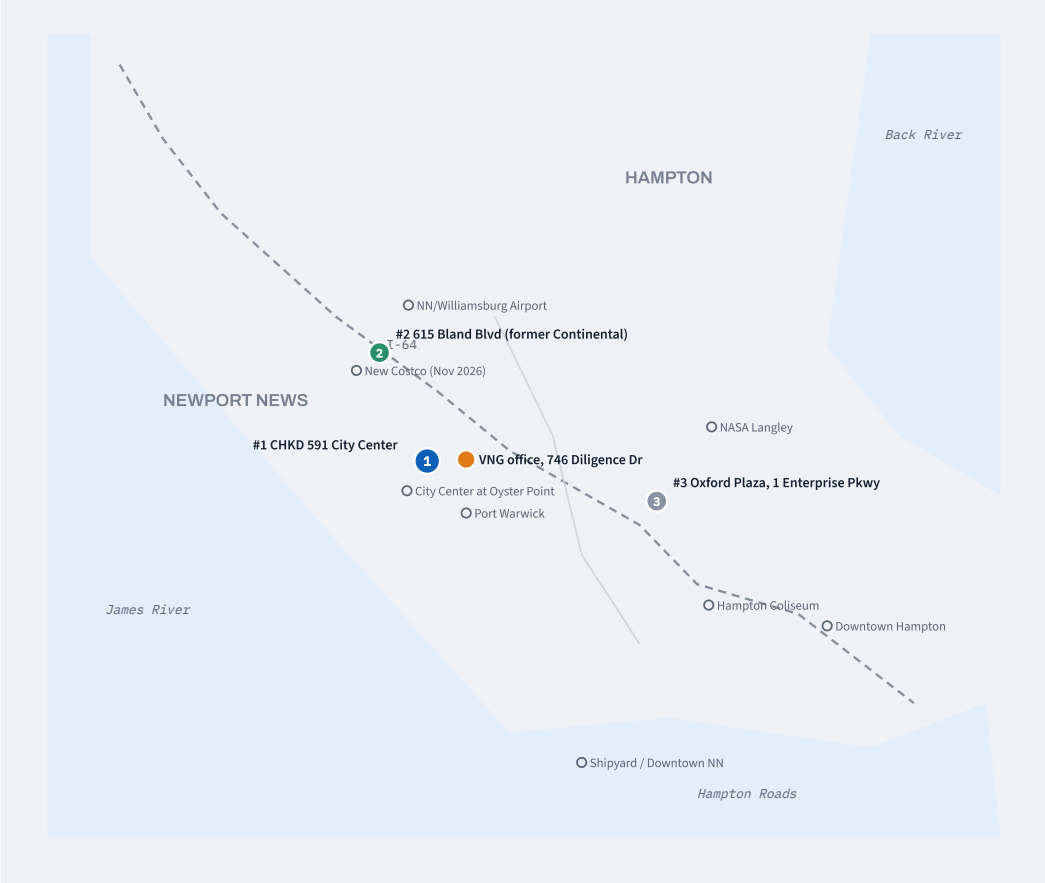

Program sizing: 10 acres carries roughly 120,000 to 160,000 SF of two- or three-story office with surface parking at 4 per 1,000 SF, or 80,000 to 100,000 SF plus a secured fleet and materials yard. VNG's corporate HQ stays in Virginia Beach and its $50M Operations HQ in Chesapeake opens late 2026 or early 2027, so the Peninsula program is a consolidated regional headquarters, not the whole company. Before either new site goes further, get VNG's Peninsula headcount and yard requirement in writing: Bland Blvd only makes sense with a yard, Enterprise Pkwy only without one.

Ranking

Proximity scores 0 to 3 on driving distance to City Center and 746 Diligence Dr and counts double. The five original factors (acreage fit, by-right zoning, control, image and access, readiness) score 0 to 3 each. Maximum 21.

Tier 1: the one site that meets the brief

1 · 591 City Center Blvd, vacant CHKD land

Newport News

PARCEL 183-00-01-29 · OYSTER POINT SUBMARKET · RECORDED OWNER CHILDRENS REAL ESTATE LLC, A CHKD ENTITY

PROXIMITY

About 1 mile to VNG's current Newport News office at 746 Diligence Dr, under a mile to City Center at Oyster Point, about 1.5 miles to Port Warwick. Walk-to-lunch distance from the Marriott, Town Center and the City Center restaurants.

ACRES

14.93 acres, vacant. Clears the 10-acre target with room for a fleet yard, or for a phase-two pad CHKD could keep.

OWNER

Childrens Real Estate LLC, the title-holding entity for Children's Hospital of The King's Daughters. Purchased 11 Nov 2016 for $10,030,141 (about $672,000 per acre, $15.42 per SF). Held vacant for nearly ten years. The purchase predates the current CEO, who took over in December 2022.

ZONING

C-2 General Commercial. Office is a by-right use. The city's own stated proposed use is commercial, medical or office.

WHY IT FITS

Same submarket as VNG's existing Newport News service center at 746 Diligence Dr, so a consolidation story writes itself. City Center address, I-64 at J. Clyde Morris, Jefferson Lab and Tech Center as neighbors, utilities in the street, no demolition, no remediation.

Ten million dollars of idle land is either a strategic hold under leadership review or dead capital. Either way the conversation is the same: CHKD's capital is going to Norfolk (new cardiovascular ICU, Olney Road construction through mid-2026), its Peninsula outpatient footprint is already served by the Rock Landing surgery center and the Tech Center urgent care, and a credit-tenant utility is the kind of buyer or ground tenant a nonprofit board can approve without a fight.

Related CHKD holding. The 7.95-acre Health & Surgery Center parcel at 11783 Rock Landing Dr (APN 196.00-01-60) is a separate CHKD property and stays in use. **Site 23** (895 City Center Blvd) is a third party's medical campus, not part of this tract.

STATUS, 10 NOV	Still trying to reach CHKD. Calls placed to the CFO line and the switchboard; no response yet. Next: a one-page letter to Abshire with Day and Foley in copy, then the Divaris door (Part 2) if a second week goes quiet.
CALL FIRST	**Kathy Abshire**, Senior Vice President of Finance and Chief Financial Officer. Children's Real Estate, LLC sits in her reporting line, she carries the $10M basis on her balance sheet, and a monetization or ground lease is a finance decision before it is a facilities decision.
SECOND DOOR	**Kimberly Day**, Senior Vice President and Chief Legal Officer, registered agent for Children's Real Estate, LLC at 601 Children's Lane. Any purchase agreement or ground lease is papered through her office. A one-page letter naming the parcel, the 2016 purchase and VNG as a credit tenant is appropriate here.
REACH	**Kathy Abshire:** 757-668-8565, the line federal NPI records list for "Kathryn J. Abshire, Senior VP CFO" as CHKD's authorized official, so it rings in the CFO's office; fallback switchboard 757-668-7000, ask for the Office of the CFO. Email: CHKD publishes staff addresses as First.Last@CHKD.org (Alice.Warchol@CHKD.org in media relations, MariaLuz.Priester@CHKD.org in supply chain), so **Kathy.Abshire@chkd.org** is the probable address, with Kathryn.Abshire@chkd.org as the alternate; directories confirm only k***@chkd.org. **Kimberly Day:** switchboard 757-668-7000, ask for the Office of General Counsel; probable email **Kimberly.Day@chkd.org**, directories confirm k***@chkd.org. Mailing address for both: 601 Children's Lane, Norfolk, VA 23507. Terrie Pyeatt, Vice President of Finance, reports to Abshire and is the working-level fallback. Media relations, which will route a serious inquiry: Alice Warchol, 757-668-9049, Alice.Warchol@CHKD.org.
PRINCIPAL	**Amy Sampson**, President and CEO since December 2022, for a principal-to-principal approach once finance has engaged. Probable email Amy.Sampson@chkd.org; switchboard 757-668-7000. **Dr. Christopher Foley**, SVP and Chief Clinical Operations Officer, probable email Christopher.Foley@chkd.org.
FACILITIES SEAT	The VP of Facilities and Support Services role, which carries Real Estate, is in transition. Jason Mueller held it from April 2025 and has left (one directory shows him as CEO of Sentinel Healthcare Solutions in 2026). No successor was posted as of this report. The seat reported to **Dr. Christopher Foley**, Senior Vice President and Chief Clinical Operations Officer, per the hiring announcement, so Foley owns Facilities and Real Estate until it is refilled and is a legitimate third name for the letter. Older directories still list Tamika Harris; she is also gone.

BASIS	$10.03M paid in 2016. Add roughly ten years of carry (real estate tax on C-2 land at City Center plus opportunity cost) and CHKD's make-whole number is in the $11M to $13M range.

SALE	Comparable C-2 and C-4 land at Oyster Point and City Center trades roughly $500K to $800K per acre, so $7.5M to $12M on 14.93 acres. The deal clears near basis, not below it. Expect an ask at $12M or more.
GROUND LEASE	At a 6 to 7 percent land yield on an $11M value, $660K to $770K per year, with CPI bumps. Keeps the asset on CHKD's balance sheet and avoids a nonprofit asset-disposition process.
CARVE	VNG needs 10 to 12 acres. Offering to leave CHKD a 3 to 5 acre pad on the Jefferson Ave side gives them a future medical office site and lowers your price.

Opening line that works: you know the parcel, the date and the price. A regulated utility HQ is a credit tenant and a quiet neighbor. Lead with the ground lease, then let them ask about a sale.

Confirm current assessed value and any site plan or rezoning filings on parcel 183-00-01-29 before the call

Tier 2 and 3: the two client-nominated sites

2 · 615 Bland Blvd, former Continental / Vitesco plant

Newport News

PARCEL 111000101 (APN 111.00-01-01) · SOUTHEAST CORNER OF BLAND BLVD AND JEFFERSON AVE, ACROSS JEFFERSON FROM THE NEW COSTCO · I-64 EXIT 255 ABOUT 1 MILE · NEW TO THE LIST

PROXIMITY

About 3 miles north of City Center and of 746 Diligence Dr up Jefferson Ave. Patrick Henry Mall and Jefferson Commons sit across the interchange; Costco's new warehouse and fuel station open directly across Jefferson Ave in November 2026. Retail-corridor and airport location, not the walk-to-lunch City Center address VNG described.

ACRES

27.4 acres (city record, Crexi, buyer's release). Nearly three times the program. Most of it is under the building and its truck courts.

BUILDING

Single-story manufacturing plant built 1971: 365,956 SF per city records, 375,556 SF on Crexi, 378,331 SF in the buyer's release. 13 dock doors, 22-foot clear. Siemens Automotive, then Siemens VDO, then Continental (which bought Siemens VDO in 2007) and its Vitesco Technologies powertrain unit made hydraulic engine components here with about 740 workers. Continental announced the closure in September 2019 for 2024; the WARN notices ran from December 2019.

OWNER

Your parcel viewer and the city record show **Bland Boulevard LLC**, which bought the plant in 2007 for **$22,000,000**, timing and price consistent with a sale-leaseback from the manufacturer. The LLC's public filings use 11010 Jefferson Ave, the W.M. Jordan Company address, which points to a Jordan-affiliated investor group (unverified). On **29 September 2026** an affiliate of **Phoenix Investors**, Milwaukee, announced it had acquired the 378,331 SF property. Price undisclosed, no broker named. Assessor records lag deeds by weeks, so treat Phoenix as the owner and Bland Boulevard LLC as the seller until the city updates.

ZONING

M-1 Light Industrial. Offices are a customary M-1 use, but a stand-alone headquarters office on M-1 land needs a written determination from Newport News Planning before anyone relies on it. A utility operations center with fleet and materials yard is squarely within M-1.

BUYER'S PLAN

Phoenix says it will reconfigure the layout and loading areas, update building systems and market the plant to "a broad range of manufacturing and light industrial users." LoopNet already shows 12,480 to 365,851 SF for lease. Phoenix is a value-add industrial landlord with 80 million SF; it buys closed plants to lease them, not to sell land.

Why it is on the list: you asked. What it is: an industrial reposition three miles from where VNG said it wants to be. The honest fit for VNG is not a headquarters pad but a consolidated operations base. The 27 acres take a fleet and materials yard easily, and a 60,000 to 100,000 SF office build-out inside or in front of the plant costs less than new construction. Two ways in: lease or buy a demised portion of the plant from Phoenix once its reconfiguration plan is set, or buy an outparcel on the Jefferson Ave or Bland Blvd frontage for a new office building, which Phoenix may entertain if it does not break truck circulation. A whole-site purchase is unlikely; Phoenix just closed and underwrote this as a lease-up.

LUKE HERDER	Vice President, Acquisitions & Leasing, Phoenix Investors. The name on the acquisition release for leasing inquiries. **414-244-9575**, **lherder@phoenixinvestors.com** (both from Phoenix's own agent page and 2026 brochure). First call.
ANTHONY I. CRIVELLO	President, Phoenix Investors; quoted in the release. **414-982-4810**, **anthony@phoenixinvestors.com** (firm brochure). The escalation for an outparcel sale, which is a decision above leasing.

BLAND BOULEVARD LLC	Seller and owner of record. Filings use 11010 Jefferson Ave, Newport News 23601 (W.M. Jordan Company). Ronald Lauster, President, W.M. Jordan, **757-596-6341**, is the way to confirm the Jordan link and whether the seller kept any frontage. Ask, do not assert.
DEREK PERRY	Newport News Department of Development, **perryde@nnva.gov**, **757-926-8428**. The city has wanted this plant back in production since 2019; ask what its conversations with Phoenix covered and whether an employer headquarters with a yard qualifies for the city's incentive programs.
ZONING DETERMINATION	Newport News Department of Planning, 2400 Washington Ave, 757-926-8761 (verify). Request a written determination on general office as a principal use in M-1 for parcel 111000101.

Confirm the deed to the Phoenix affiliate and the current assessment; your viewer still shows Bland Boulevard LLC

3 · Oxford Plaza, 1 Enterprise Pkwy

Hampton

HAMPTON ROADS CENTER SOUTH CAMPUS · HAMPTON PARCEL RECORD 7001879 ("SITE A") · I-64 AT HAMPTON ROADS CENTER PKWY AND MAGRUDER BLVD · NEW TO THE LIST

PROXIMITY

About 7 miles and 12 minutes east of City Center and 746 Diligence Dr via I-64. Hampton Roads Center is a suburban office park off Magruder Blvd; the nearest restaurant and retail cluster is Coliseum Central and Peninsula Town Center, 3 miles south. Fails VNG's location test.

ACRES

5.46 acres, under the 8-acre floor. 260 surface spaces (4.1 per 1,000 SF) use most of the site, so there is no room for a fleet yard or a second building of size.

BUILDING

Three-story Class A office, **63,029 SF** rentable (one database shows 72,444 SF gross), built 1987, renovated 2010, floor plates of about 21,000 SF, flood zone X. The entire building is available: three blocks of 20,222 to 21,582 SF at **$18.00/SF/yr full service**, listed for lease and for sale with the asking price "negotiable." On the market since roughly December 2025.

OWNER

Oxford Plaza is one of the 10-building, 558,911 SF Hampton and Virginia Beach Class A office portfolio for which **DSC Partners LLC** (Washington, DC area; Douglas Donatelli and Nicholas Smith, formerly First Potomac Realty Trust) awarded Thalhimer exclusive leasing in April 2025, so DSC is the probable owner. The Hampton Roads Center Owners Association page still lists LCP Hampton Roads III LLC c/o Lingerfelt Commonwealth Partners, Virginia Beach, which reads as the prior owner. Aggregator records show one sale in 2015 in the $10M to $20M band. Confirm on the Hampton assessor.

ZONING

HRC-1, Hampton Roads Center district. General office is what the district exists for; confirm the headquarters-office line in Hampton's Table of Uses (effective 1 Sept 2024) with Hampton Planning.

FIT

A move-in-ready 63,000 SF office, below the 80,000 to 160,000 SF program, with no expansion land. Works only if VNG's Peninsula headcount is smaller than the program assumed, or as an interim office while a City Center site is assembled.

Why it is on the list: you asked for all the information. What it is: the fastest and cheapest occupancy on the Peninsula (sign at $18 full service and be in by mid-2027, or buy a 63,000 SF Class A building that should trade in the $90 to $130 per SF range, roughly $5.5M to $8M) and the weakest match to what VNG told us. It is in Hampton, seven miles from City Center, on 5.46 acres with no yard. If VNG's real Peninsula program is 150 people and no fleet, this building deserves a tour; if it is the 10-acre headquarters with a yard, it does not.

ROB WRIGHT	Senior Vice President, Cushman & Wakefield | Thalhimer. Listing lead on the DSC portfolio, Oxford Plaza included, and the same broker who sold the Norfolk Southern tower to the TowneBank/CHKD venture in 2020. **757-499-2896**, **rob.wright@thalhimer.com** (verified).
TERESA NETTLES	Cushman & Wakefield | Thalhimer, Newport News office at Oyster Point Park; office sales and leasing since 2002; co-lists Oxford Plaza. Office **757-499-2900** (Thalhimer Hampton Roads main, verify); probable **teresa.nettles@thalhimer.com** (firm pattern).
CATHARINE SPANGLER	Senior Vice President, Thalhimer Capital Markets, Glen Allen. Named on the Oxford Plaza listing; she is the sale side. Direct **804-344-7140**, **catharine.spangler@thalhimer.com** (verified on her Thalhimer bio).
DSC PARTNERS LLC	Probable owner. Main **202-748-5540**; Pat Kelly, SVP, 301-325-5136; Kelly Crough, VP of Leasing. Principals Douglas Donatelli and Nicholas Smith. Go through the Thalhimer team first; DSC leases and sells through its brokers.

CITY OF HAMPTON	Department of Economic Development, 1 Franklin St, Suite 600; main 757-727-6237 (verify). An aggregator lists Steven Lynch as interim director at 757-727-6348 (unverified). Hampton's headquarters-relocation incentives would apply here, not Newport News's.

Monday morning

1 **CHKD, keep pushing: Kathy Abshire, SVP Finance and CFO, 757-668-8565 or 757-668-7000, with Kimberly Day, Chief Legal Officer, and Dr. Christopher Foley in copy.** Name the parcel: 591 City Center Blvd, 14.93 acres, bought November 2016 for $10.03M. Ask whether CHKD would ground-lease or sell for a corporate headquarters and whether a 3 to 5 acre medical pad carve-out helps. If the second week stays quiet, go in through Michael Divaris, 757-497-2113, who represented CHKD in 2020 (Part 2).

2 **615 Bland Blvd: Luke Herder, Phoenix Investors, 414-244-9575, lherder@phoenixinvestors.com.** Ask three things: how the plant and site will be demised, whether an outparcel on the Jefferson Ave or Bland Blvd frontage is for sale, and the timing of the reconfiguration. Same day, ask Newport News Planning, 757-926-8761, for a written determination on general office as a principal use in M-1.

3 **1 Enterprise Pkwy: Rob Wright, 757-499-2896, and Catharine Spangler, 804-344-7140, at Thalhimer.** Ask for the sale offering memorandum, the current occupancy (the listing shows the whole building available), the operating-expense base behind the $18 full-service rent, and the owner's number.

4 **Program check with VNG before either new site goes further.** Get the Peninsula headcount, the fleet and materials yard requirement, and the parking ratio in writing. Bland Blvd only makes sense with a yard; Enterprise Pkwy only makes sense without one.

5 **Pull the parcel files.** Newport News 183-00-01-29 and 111000101 (assessment, deed to the Phoenix affiliate, site plan history, wetlands and RPA buffers, utility stubs) and Hampton 7001879 (owner of record, assessment, HRC-1 use table). Timmons can do all three in a day.

PART 2 · OWNER CONTACTS

CHKD: who has represented them, and who to call

Brokerages and advisors on record with Children's Hospital of The King's Daughters since 2015, for use in the 591 City Center Blvd approach. Prepared 9 Nov 2026.

How to use this

Lead with Divaris. Gerald Divaris, Michael Divaris and Jason Oliver represented the TowneBank and CHKD joint venture when it bought the Norfolk Southern headquarters tower in June 2020, and Divaris still manages and leases that building for the venture. That is a buyer-side relationship with CHKD's finance and legal leadership, the same people who control 591 City Center Blvd. Tell Divaris you have a credit-tenant utility headquarters for CHKD's 14.93 vacant acres and let them carry it to Kathy Abshire. A broker with a fee on the other side of the table is a motivated intermediary, and it gets you a warm introduction instead of a cold call.

Second call is Chris Zarpas at S.L. Nusbaum, who is marketing the former CHKD Imaging Center at 6170 Cleveland St in Norfolk right now. Whether CHKD or a landlord owns that building, he is the broker currently touching CHKD-vacated real estate, and Nusbaum has represented CHKD Thrift as tenant.

CHKD WORK

Represented TowneBank and CHKD (buying as McKinnon Tower LLC) in the June 2020 purchase of the Norfolk Southern headquarters, the 310,745 SF Arnold B. McKinnon Building, reported at about $30M plus an $8.5M garage. Divaris has leased and managed the building since 2009 and kept the assignment after the sale. CHKD occupies part of the renovated tower.

ALSO

Landlord agent at Lightfoot Marketplace in Williamsburg, where CHKD Pediatric Medical Center anchors (George Fox), and at Fairfield Shopping Center, where CHKD Thrift is a tenant.

WHY FIRST

Only brokerage in the public record that has negotiated a major acquisition on CHKD's behalf. They know who at CHKD says yes on real estate.

MICHAEL DIVARIS, SIOR	President. On the 2020 CHKD deal. **mdivaris@divaris.com**, **757-497-2113** (both from his divaris.com profile).
GERALD DIVARIS	Chairman. On the 2020 CHKD deal. Reach via main line.
JASON OLIVER, CCIM	Senior Vice President, Investment Sales. On the 2020 CHKD deal. Office **757-497-2113**, mobile **757-333-4383** (LoopNet profile). Email pattern at Divaris is mixed (mdivaris@ and tony.divaris@ both exist), so try joliver@divaris.com and jason.oliver@divaris.com.
KRISTA COSTA	Executive Vice President, office leasing, investment sales and corporate services. 757-497-2113, mobile 757-333-4356 (verify). Useful door if the principals are slow.
OTHER DOORS	Tony Divaris, COO, tony.divaris@divaris.com, 757-497-2113. Amy Campbell, communications, amy.campbell@divaris.com, 757-333-4399, will route to any of the above.

Tenant side, active listing

440 MONTICELLO AVE, SUITE 1700, NORFOLK, VA 23510 · MAIN 757-627-8611 · SLNUSBAUM.COM

CHKD WORK

Represented CHKD Thrift Store as tenant in its 13,171 SF lease at Suffolk Plaza in November 2015 (Murray Rosenbach and Michael Gurley). Currently the listing broker on the former CHKD Imaging Center, 6170 Cleveland St, Norfolk, a 6,272 SF purpose-built imaging building on 0.86 acres offered at $17.75/SF NNN. Owner of record not confirmed from here.

ALSO

Landlord agent on CHKD Thrift renewals at Thomas Corner, Norfolk (Lindsay Bangel 2025; Maggie Spillane and Murray Rosenbach 2022; Rosenbach 2017) and Suffolk Plaza (Chris Hucke 2015, 2026).

WHY SECOND

The firm touching CHKD-vacated space today, with a decade of CHKD retail leases behind it.

CHRISTOPHER M. ZARPAS	Listing broker, former CHKD Imaging Center. Office 757-640-5437, cell 757-237-7500, czarpas@slnusbaum.com (from his marketing flyer).
MURRAY ROSENBACH	Senior Vice President and Director of Shopping Center Leasing; with the firm since 1979. Represented CHKD Thrift as tenant (2015). **757-640-2229** (LoopNet). Firm pattern is first-initial-last at slnusbaum.com (czarpas@, ssanker@), so mrosenbach@slnusbaum.com is probable, unverified. Main 757-627-8611.
MICHAEL GURLEY	Co-represented CHKD Thrift (2015). Not in current firm directories; may have left.

CHKD WORK

Represented Norfolk Southern, the seller, when TowneBank and CHKD bought the headquarters tower in 2020. Landlord agent on CHKD Thrift's 5,000 SF renewals at Hilltop Square, Virginia Beach (Connie Jordan Nielsen, Dean Martin).

ROB WRIGHT	Senior Vice President. Ran the 2020 sale. 757-499-2896, rob.wright@thalhimer.com.
GEOFF POSTON, SIOR, CCIM	Senior Vice President, Managing Broker. Assisted on the 2020 sale. 757-213-4161, mobile 757-650-8437, geoff.poston@thalhimer.com.
ANDY DALLAS	Peninsula office specialist, Newport News. 757-873-3661. Relevant for City Center comps, not CHKD history.

Wright negotiated against CHKD's team for months. He knows how they move and what they paid. Worth a call for intelligence even if Divaris carries the deal.

CHKD WORK

Construction manager on the $224M Children's Pavilion in Norfolk (363,915 SF), the 66,267 SF CHKD Health Center at Landstown in Virginia Beach, and the TowneBank Tower renovation. Developer and original landlord of the Tech Center building at 680 Oyster Point Rd in Newport News, which CHKD leased after a bank tenant left and which a medical office REIT bought in 2019.

Not a broker, but the single most trusted real estate counterparty CHKD has, and headquartered in Newport News a mile from 591 City Center Blvd. If a build-to-suit or joint venture structure ever enters the CHKD conversation, Jordan is who CHKD will call. Timmons has worked alongside them on Tech Center, so you have a warm path to their development group without a cold call.

Checked, no CHKD link found

Harvey Lindsay Commercial Real Estate (999 Waterside Dr, Suite 1400, Norfolk, 757-640-8700) shows no CHKD transaction in the public record. It was the local partner on the $64M City Center at Oyster Point portfolio sale in 2016, which makes it a City Center expert, not a CHKD relationship. **JLL** shows nothing on CHKD in Hampton Roads. **The broker on CHKD's November 2016 purchase of 591 City Center Blvd** is not in any press release or listing archive I can reach; the seller and any brokerage credit will be on the recorded deed and settlement statement, which Timmons or a title company can pull in a day. If that broker is still active, they are the one person who knows what CHKD planned for the site.

PART 3 · OWNER CONTACTS

615 Bland Blvd and 1 Enterprise Pkwy: who owns them and who to call

The record on each client-nominated site, the owner chain, the brokers, and the order of calls. Prepared 10 Nov 2026. Costco material from the prior edition is withdrawn; Costco has said the Jefferson Ave remainder is not available.

What the record says about 615 Bland Blvd

Built 1971 as the Siemens Automotive plant on 27.4 acres at the corner of Bland Blvd and Jefferson Ave, parcel 111000101. Siemens VDO passed to Continental in 2007, the same year **Bland Boulevard LLC** bought the real estate for **$22,000,000**; that is a sale-leaseback by timing and price. Continental's Vitesco Technologies unit made hydraulic engine components here with about 740 workers until the closure Continental announced in September 2019 for 2024 (WARN notices from December 2019). The plant was marketed on Crexi and LoopNet as 375,556 SF on 27.40 acres, M-1, 13 docks, 22-foot clear, unpriced, with the listing noting the new Costco and fuel pad directly across the street. On **29 September 2026** an affiliate of **Phoenix Investors**, Milwaukee, announced the acquisition of the 378,331 SF property; the release names no seller, price or broker, says Phoenix will reconfigure the building and site for manufacturing and light industrial users, and lists Luke Herder for leasing. Newport News Daily covered the sale about six weeks ago and noted the city record still shows Bland Boulevard LLC as owner. Three sales appear in the city's history; the assessor's online estimate is irrelevant to a deal. Your parcel viewer matches the city record, which has not caught up to the deed.

Phoenix Investors

Buyer, Sept 2026

NATIONAL INDUSTRIAL INVESTOR, MILWAUKEE, WI · ABOUT 80 MILLION SF, 300-PLUS BUILDINGS IN 30 STATES · BUYS CLOSED PLANTS AND LEASES THEM TO MANUFACTURERS · PHOENIXINVESTORS.COM

LUKE HERDER	Vice President, Acquisitions & Leasing. The leasing name on the Newport News release. **414-244-9575**, **lherder@phoenixinvestors.com**. Both on Phoenix's agent page and its 2026 brochure. First call.
ANTHONY I. CRIVELLO	President. Quoted in the release ("intends to invest in the Newport News community and its workers"). **414-982-4810**, **anthony@phoenixinvestors.com** (2026 brochure). The escalation for an outparcel sale.

Phoenix's model is to buy large, closed industrial plants at a discount, reconfigure them into multi-tenant manufacturing and distribution space, and lease them up. It rarely sells land off the front of a plant, but it does demise buildings into 50,000 to 150,000 SF units and it will sell a pad when the pad does not touch truck circulation. The pitch that fits: a regulated utility as anchor tenant for an operations base with office, taking 60,000 to 100,000 SF plus a fenced yard, on a 15-year lease, which is the credit Phoenix's lenders want in a 1971 building. Lead with the lease; let them bring up an outparcel.

What the record says about Oxford Plaza, 1 Enterprise Pkwy

Three-story Class A office of 63,029 SF rentable (72,444 SF gross in one database), built 1987 and renovated 2010 on a 5.46-acre site in Hampton Roads Center South Campus, 260 surface spaces, zoned HRC-1, flood zone X. Hampton's parcel record is 7001879, labeled "Site A" in the park. The Hampton Roads Center Owners Association still lists the owner as LCP Hampton Roads III LLC c/o Lingerfelt Commonwealth Partners, Virginia Beach, and Divaris leased and managed the building through 2020 at $14.95/SF for small suites. In April 2025 DSC Partners LLC awarded Cushman & Wakefield | Thalhimer exclusive leasing on a 10-building, 558,911 SF Class A office portfolio in Hampton and Virginia Beach that names Oxford Plaza, which is why DSC is the probable current owner. Thalhimer now lists the whole building for lease at $18.00/SF/yr full service in three blocks of 20,222 to 21,582 SF, and for sale at a negotiable price, with Rob Wright, Teresa Nettles and Catharine Spangler named. The listing is roughly eleven months old, which says the building is empty or nearly so.

TERESA NETTLES	Office sales and leasing, Newport News office, with the firm since 2002. Co-listed on Oxford Plaza. Hampton Roads main line **757-499-2900** (verify); probable **teresa.nettles@thalhimer.com**.
CATHARINE SPANGLER	Senior Vice President, Capital Markets, Glen Allen. The sale side. Direct **804-344-7140**, **catharine.spangler@thalhimer.com** (verified on her Thalhimer bio).

Ask Wright for the sale offering memorandum and the owner's expectations, Spangler for the sale process and whether any offers are in, and Nettles for the current occupancy and the expense base behind the $18 full-service number. A 63,000 SF Class A office in Hampton with the whole building empty should price between $90 and $130 per SF, so $5.5M to $8M, and the owner has been carrying it empty for most of a year.

Method and limits

Distances are approximate driving miles from City Center at Oyster Point and from 746 Diligence Dr. The 591 City Center Blvd parcel data (acreage, owner, 2016 price, zoning) and the 615 Bland Blvd parcel identification (parcel 111000101, owner of record Bland Boulevard LLC) were supplied by the client from the city parcel viewer; the Phoenix Investors acquisition comes from the buyer's 29 Sept 2026 release and Newport News Daily; acreage, building area, zoning and listing terms for both new sites come from Crexi, LoopNet, CommercialSearch and Thalhimer listing records, which disagree with each other on building area and are flagged where they do. Oxford Plaza's ownership is inferred from Thalhimer's April 2025 portfolio release and should be confirmed on the Hampton assessor. Both city GIS portals were unreachable from this session, so parcel boundaries, deeds and current owner of record should be confirmed before any letter of intent. Map positions are schematic. Removed from earlier editions at the client's direction or because the owner declined: the City Center Expansion Area, the Costco-owned Ferguson remainder, the Carleton site, Fort Monroe, the Red Roof Inn and Coliseum Central sites, Tech Center pads, Oriana Rd, Harbor Square, the Chase Site, Oakland Industrial Park, Dozier Rd, Air Commerce Park, NASA Langley, Copeland Industrial Park, 1033 Big Bethel Rd, 2700 Parish Ave, Coliseum Central Site 2, 51 Deer Run Trl, 895 City Center Blvd, 4030 W.
