VNG Peninsula Site Survey

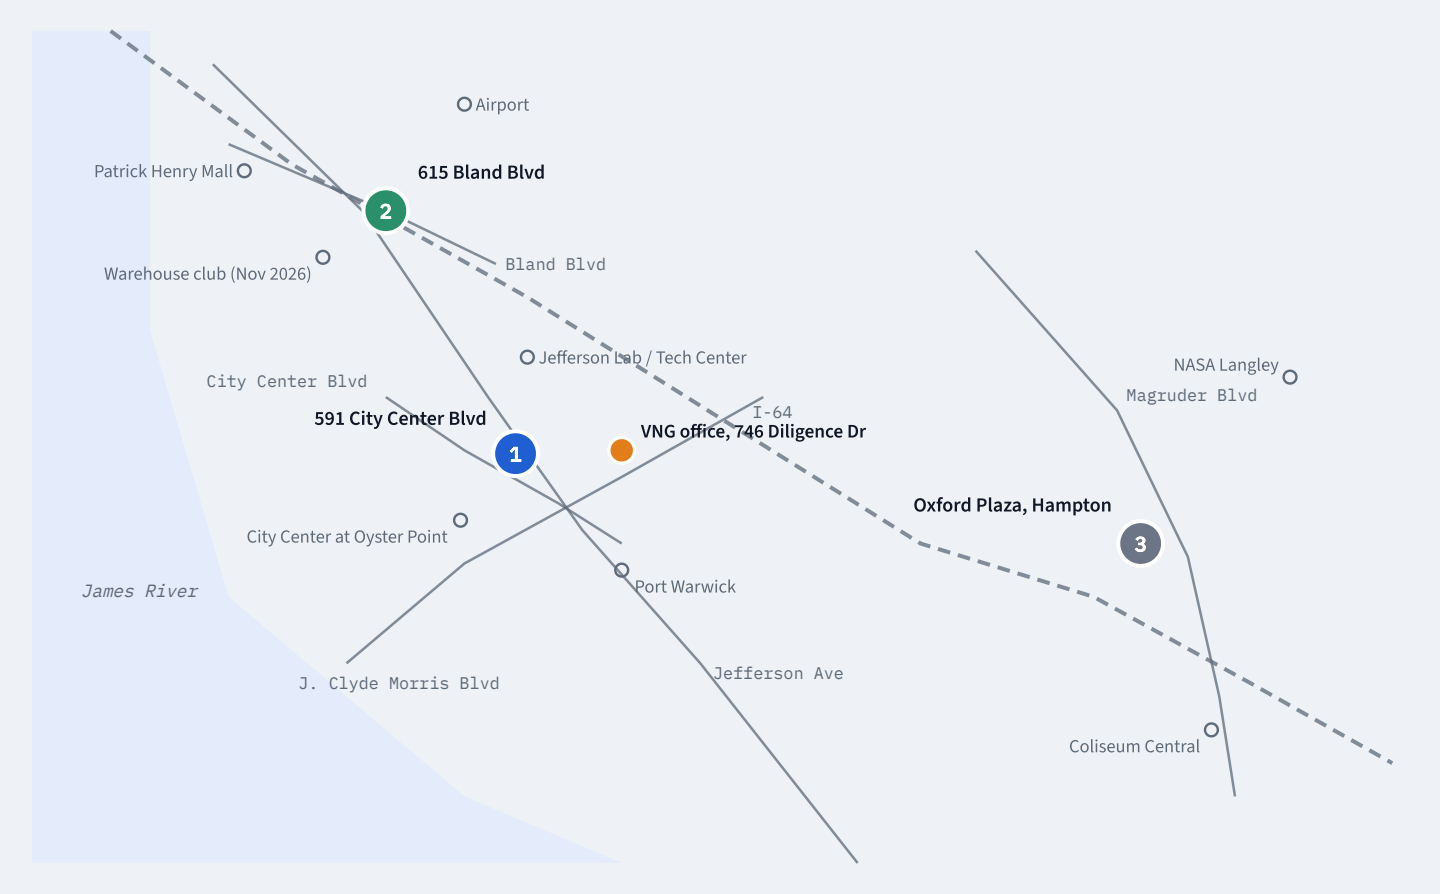

Prepared for Virginia Natural Gas by CIVITAS CRES · Newport News, Virginia

Draft for client review · Revised 10 Nov 2026 · 3 sites

Client criteria

10 to 15 acres with an 8-acre floor; as close as possible to City Center at Oyster Point and Port Warwick and to VNG's office at 746 Diligence Dr; office or commercial zoning by right; non-residential; interstate access. Program of 80,000 to 160,000 SF office at 4 spaces per 1,000 SF, optional fleet yard. Since the prior draft, two sites were withdrawn (one at VNG's direction, one because the owner will not sell) and two nominated properties were added and scored on the same criteria.

Location

Site 1: 591 City Center Boulevard

591 City Center Blvd, Newport News, VA 23606

ACREAGE	ZONING	OWNERSHIP
14.93 acres, entirely vacant	C-2 General Commercial; office by right	Private institutional owner (healthcare system real estate affiliate); acquired Nov 2016, held vacant since
PARCEL	**ACCESS**	**UTILITIES**
183-00-01-29	City Center Blvd frontage; I-64 via J. Clyde Morris Blvd, about 2 minutes	Water, sewer and natural gas in City Center Blvd; capacities to confirm
CAPACITY	**PATH TO CONTROL**	**DISTANCE**
120,000 to 160,000 SF office with surface parking, or 80,000 to 100,000 SF plus a secured fleet yard	Direct negotiation: purchase or long-term ground lease; 60 to 120 days to agreement	under 1 mi to City Center; about 1 mi to 746 Diligence Dr

Assessment. The strongest match to VNG's criteria. A single vacant parcel, already zoned for office use, at a City Center address, within a mile of the existing office, with no demolition or remediation. The owner has held it idle for nearly a decade with no announced plan, which supports either an outright purchase or a long-term ground lease; a carve-out that leaves the owner a future medical pad is available as a negotiating tool. **Status.** Owner identified. Outreach to the owner's finance and legal leadership has begun. Parcel file ordered.

Due diligence. Title and the 2016 deed; Wetland delineation and Chesapeake Bay Preservation Area buffers; Stormwater and geotechnical; Traffic at City Center Blvd; C-2 permitted uses and any proffers from the earlier rezoning.

Site 2: 615 Bland Boulevard

615 Bland Blvd at Jefferson Ave, Newport News, VA 23602 (former manufacturing plant)

ACREAGE
27.4 acres, improved; a portion would be demised

ZONING
M-1 Light Industrial; office as a principal use requires a written determination

OWNERSHIP
Private industrial investor (national firm); acquisition announced Sept 2026; city record still shows the 2007 purchaser

PARCEL
111000101

ACCESS
Jefferson Ave and Bland Blvd frontage; I-64 Exit 255 about 1 mile; adjacent to the airport

UTILITIES
Fully served industrial site with heavy electric and gas from the manufacturing use; capacities to confirm

CAPACITY
About 366,000 SF single-story plant built 1971, 13 docks, 22-ft clear; 60,000 to 100,000 SF of office could be built out inside or in front, with ample yard

PATH TO CONTROL
Long-term lease of a demised portion from the new owner, or purchase of a frontage parcel; whole-site purchase unlikely

DISTANCE
about 3 mi to City Center; about 3 mi to 746 Diligence Dr

Assessment. An industrial reposition, not a headquarters site, three miles from the City Center area VNG asked for. Its strengths are scale, interstate and airport access, and room for a fleet and materials yard that no City Center parcel can match. The realistic fit is a consolidated operations base with office built out in the existing plant. The new owner plans to lease the building to industrial users, so the paths are a lease of a demised portion or purchase of a frontage parcel. **Status.** Owner identified. Outreach to the owner's leasing and acquisitions leadership scheduled. Zoning determination request to be filed.

Due diligence. Recorded deed to the new owner; Owner's demising and reconfiguration plan and timing; Written zoning determination on general office in M-1; Environmental history of the manufacturing use; Airport height and noise overlays; Structural condition and clear height of the portion to be occupied; Traffic at Jefferson and Bland as adjacent retail opens.

Site 3: Oxford Plaza, 1 Enterprise Parkway

1 Enterprise Pkwy, Hampton, VA 23666 (Hampton Roads Center South Campus)

ACREAGE
5.46 acres, improved; under the 8-acre floor

ZONING
HRC-1 Hampton Roads Center district; general office by right

OWNERSHIP
Private institutional office owner (regional portfolio); listed for sale and lease since late 2025

PARCEL
Hampton parcel record 7001879

ACCESS
Enterprise Pkwy; I-64 at Hampton Roads Center Pkwy and Magruder Blvd

UTILITIES
Fully served Class A office building; 260 surface spaces

CAPACITY
63,029 SF rentable, three floors of about 21,000 SF, built 1987, renovated 2010; no land for a yard or a second building

PATH TO CONTROL
Listed: entire building for lease at $18.00/SF full service, or for sale at a negotiable price; weeks to a lease or contract

DISTANCE
about 7 mi to City Center; about 7 mi to 746 Diligence Dr

Assessment. The fastest and lowest-cost occupancy on the Peninsula and the weakest match to VNG's criteria: Hampton rather than Newport News, seven miles from City Center, under the acreage floor, no room for fleet or materials. It fits only if the Peninsula program is an office of about 150 people with no yard, as a permanent or interim answer. **Status.** Listing brokers identified. Sale offering memorandum, occupancy and operating expense base to be requested.

Due diligence. Owner of record and assessment on the Hampton assessor; Building area (records conflict between 63,029 and 72,444 SF); Mechanical and roof condition after the 2010 renovation; Parking count and ratio; HRC-1 use table confirmation; City of Hampton incentive eligibility.

Comparison

CRITERION	SITE 1: 591 CITY CENTER BLVD	SITE 2: 615 BLAND BLVD	SITE 3: OXFORD PLAZA, HAMPTON
Acreage 10 to 15	Meets 14.93 acres, entirely vacant	Meets 27.4 acres, improved	Weak 5.46 acres, improved
Proximity to City Center and Port Warwick	Meets under 1 mi to City Center; about 1.5 mi to Port Warwick	Partial about 3 mi to City Center; about 3.5 mi to Port Warwick	Weak about 7 mi to City Center; about 8 mi to Port Warwick
Restaurants and shopping nearby	Meets City Center, walkable	Meets Patrick Henry Mall, Jefferson Commons, warehouse club across the street	Partial Office park; Coliseum Central 3 miles
Office or commercial zoning by right	Meets C-2 General Commercial	Partial M-1 Light Industrial	Meets HRC-1 Hampton Roads Center district
Interstate access	Meets I-64 via J. Clyde Morris Blvd, about 2 minutes	Meets I-64 Exit 255 about 1 mile	Meets I-64 at Hampton Roads Center Pkwy and Magruder Blvd
Site readiness	Meets Vacant, served, no demolition	Partial 1971 plant; reconfiguration or demolition	Meets Finished Class A building, available now
Speed to control	Meets 60 to 120 days, private owner	Partial After the owner sets its demising plan	Meets Listed; weeks to a lease or contract
Fleet and materials yard	Meets Room on 14.93 acres	Meets Ample	Weak None
Incentive potential	Partial Standard city and state programs	Partial Re-employment of a closed plant; city programs	Partial City of Hampton programs
Drive time to City Center	3 min	8 min	12 min
Drive time to 746 Diligence Dr	3 min	8 min	12 min
Path to control	Direct negotiation: purchase or long-term ground lease; 60 to 120 days to agreement	Long-term lease of a demised portion from the new owner, or purchase of a frontage parcel; whole-site purchase unlikely	Listed: entire building for lease at $18.00/SF full service, or for sale at a negotiable price; weeks to a lease or contract

Recommendation. Site 1 remains the primary target and the only property that meets every criterion. Site 2 stays under evaluation only if the program includes a fleet and materials yard; Site 3 only if the program is an office of about 150 people with no yard and Hampton is acceptable. Confirm the program in writing first.

Parcel acreage, zoning and ownership from City of Newport News and City of Hampton assessor and planning records, council and EDA actions, recorded permit files, the acquiring owner's public announcement for Site 2 and brokerage listing records for Sites 2 and 3. Distances and drive times approximate. Nothing in this survey is an offer and no site is under contract. Prepared by CIVITAS CRES for Virginia Natural Gas, revised 10 November 2026.
