VNG Peninsula Site Survey

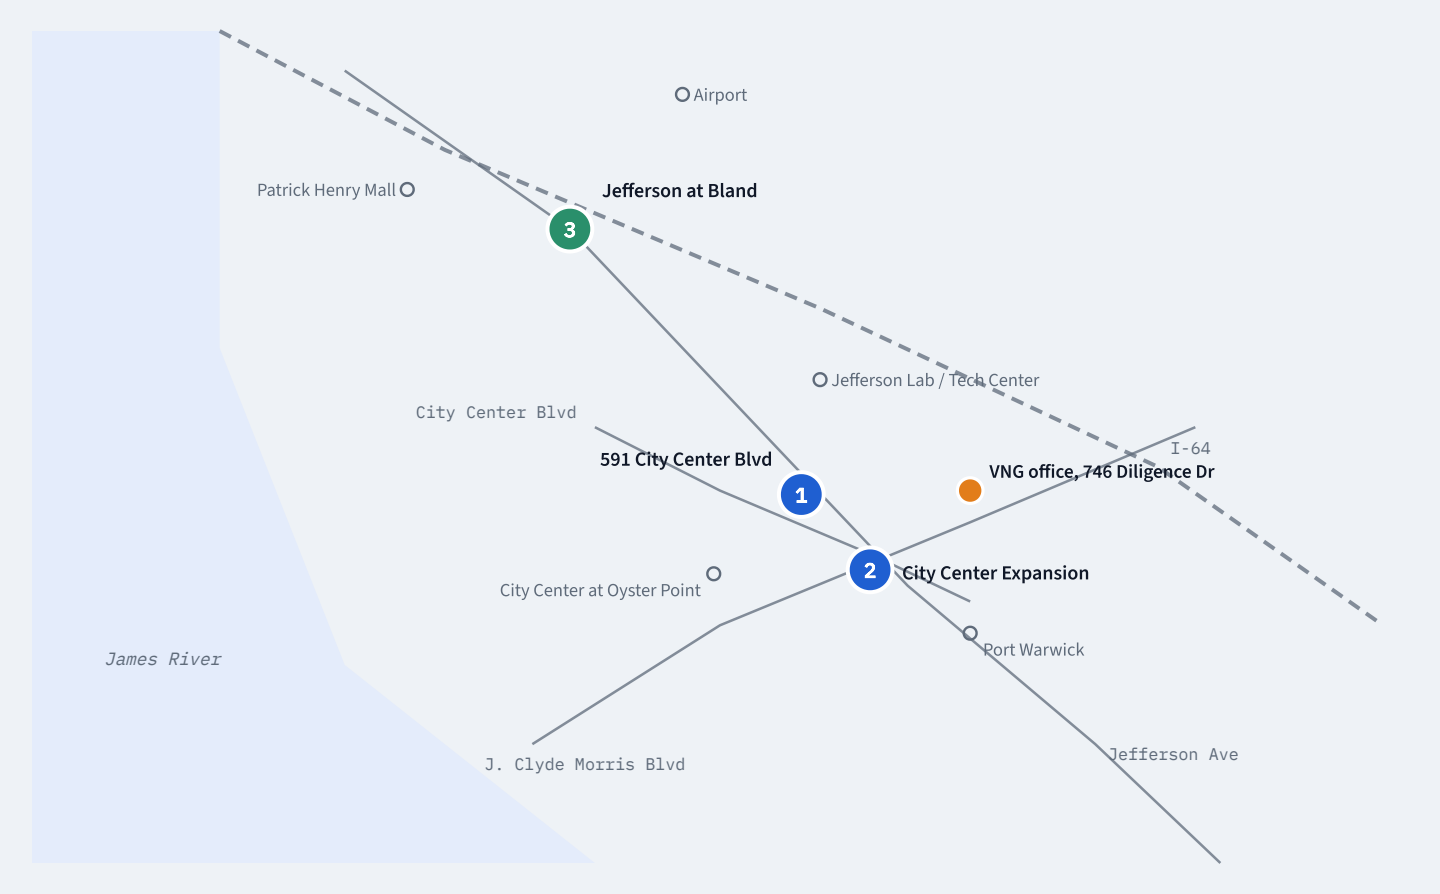

Prepared for Virginia Natural Gas by CIVITAS CRES · Newport News, Virginia

Draft for client review · 9 Nov 2026 · 3 sites

Client criteria

10 to 15 acres with an 8-acre floor; as close as possible to City Center at Oyster Point and Port Warwick and to VNG's office at 746 Diligence Dr; office or commercial zoning by right; non-residential; interstate access. Program of 80,000 to 160,000 SF office at 4 spaces per 1,000 SF, optional fleet yard.

Location

Site 1: 591 City Center Boulevard

591 City Center Blvd, Newport News, VA 23606

ACREAGE	ZONING	OWNERSHIP
14.93 acres, entirely vacant	C-2 General Commercial; office by right	Private institutional owner (healthcare system real estate affiliate); acquired Nov 2016, held vacant since
PARCEL	**ACCESS**	**UTILITIES**
183-00-01-29	City Center Blvd frontage; I-64 via J. Clyde Morris Blvd, about 2 minutes	Water, sewer and natural gas in City Center Blvd; capacities to confirm
CAPACITY	**PATH TO CONTROL**	**DISTANCE**
120,000 to 160,000 SF office with surface parking, or 80,000 to 100,000 SF plus a secured fleet yard	Direct negotiation: purchase or long-term ground lease; 60 to 120 days to agreement	under 1 mi to City Center; about 1 mi to 746 Diligence Dr

Assessment. The strongest match to VNG's criteria. A single vacant parcel, already zoned for office use, at a City Center address, within a mile of the existing office, with no demolition or remediation. The owner has held it idle for nearly a decade with no announced plan, which supports either an outright purchase or a long-term ground lease; a carve-out that leaves the owner a future medical pad is available as a negotiating tool. **Status.** Owner identified. Outreach to the owner's finance and legal leadership has begun. Parcel file ordered.

Due diligence. Title and the 2016 deed; Wetland delineation and Chesapeake Bay Preservation Area buffers; Stormwater and geotechnical; Traffic at City Center Blvd; C-2 permitted uses and any proffers from the earlier rezoning.

Site 2: City Center Expansion Area

East of City Center at Oyster Point, between Canon Blvd and Rock Landing Dr

ACREAGE About 38 acres publicly held; 10 to 15 acre carve-out	ZONING C-4 Oyster Point Business District; mixed-use, commercial and employment uses by right	OWNERSHIP City of Newport News and its Economic Development Authority
PARCEL Multiple city and EDA parcels	ACCESS Canon Blvd and Rock Landing Dr; I-64 via J. Clyde Morris Blvd	UTILITIES Municipal services in adjacent streets; extensions and phasing per the city's master plan
CAPACITY A 10 to 15 acre carve-out supports the same program as Site 1	PATH TO CONTROL Public disposition: proposal to the EDA, master plan conformance, City Council approval; 9 to 18 months	DISTANCE adjacent mi to City Center; about 1 mi to 746 Diligence Dr

Assessment. Equal to Site 1 on address, amenity and zoning, and the city has said publicly it wants employment-generating development here. The difference is process and time. Public ownership also opens the door to performance-based incentives that a private sale does not. **Status.** Conversation opened with the Department of Development. Summit site book and preferred disposition structure requested.

Due diligence. Master plan conformance and design standards; Infrastructure phasing and cost sharing; Parcel configuration and frontage; Incentive eligibility; Timeline to council action.

Site 3: Jefferson Avenue at Bland Boulevard

12470, 12490 and 12500 Jefferson Ave, Newport News, VA 23602 (remainder of former Ferguson campus)

ACREAGE About 12 acres in two parcels after a 20.23-acre carve-out for the owner's store	ZONING Commercial; confirm district on the remainder parcels after the boundary line adjustment	OWNERSHIP Private corporate owner (national retailer); acquired the 32.37-acre campus July 2025
PARCEL Boundary line adjustment pending	ACCESS Jefferson Ave and Bland Blvd frontage; direct I-64 interchange, Exit 255	UTILITIES Fully served former corporate campus; existing buildings being demolished
CAPACITY Supports the office program; fleet yard would be tight on 12 acres	PATH TO CONTROL Direct negotiation after the owner's store opens (Nov 2026) and parcels are recorded; owner has stated the remainder is for future sale	DISTANCE about 3 mi to City Center; about 3 mi to 746 Diligence Dr

Assessment. The only other Newport News site with interstate access, commercial zoning and retail amenity in walking distance. It meets acreage and zoning and sits three miles up Jefferson Avenue rather than at City Center. Its advantage is certainty of disposition; its constraint is timing. **Status.** Owner's eastern real estate development group identified. Outreach begun. Letter of interest to be placed on file.

Due diligence. Final parcel configuration and acreage after the boundary line adjustment; Cross-access and shared stormwater with the retail parcel; Traffic improvements required under the owner's conditional use permit; Zoning district on the remainder.

Comparison

CRITERION	SITE 1: 591 CITY CENTER BLVD	SITE 2: CITY CENTER EXPANSION	SITE 3: JEFFERSON AT BLAND
Acreage 10 to 15	Meets 14.93 acres, entirely vacant	Meets About 38 acres publicly held	Meets About 12 acres in two parcels after a 20.23-acre carve-out for the owner's store
Proximity to City Center and Port Warwick	Meets under 1 mi to City Center; about 1.5 mi to Port Warwick	Meets adjacent mi to City Center; about 1.5 mi to Port Warwick	Partial about 3 mi to City Center; about 3.5 mi to Port Warwick
Restaurants and shopping nearby	Meets City Center, walkable	Meets City Center, walkable	Meets Patrick Henry Mall, Jefferson Commons
Office or commercial zoning by right	Meets C-2 General Commercial	Meets C-4 Oyster Point Business District	Partial Commercial
Interstate access	Meets I-64 via J. Clyde Morris Blvd, about 2 minutes	Meets I-64 via J. Clyde Morris Blvd	Meets direct I-64 interchange, Exit 255
Site readiness	Meets Vacant, served, no demolition	Partial Infrastructure phasing with city	Partial Available after owner's project and parcel split
Speed to control	Meets 60 to 120 days, private owner	Weak 9 to 18 months, public process	Partial After late-2026 store opening
Incentive potential	Partial Standard city and state programs	Meets Public land; performance agreement possible	Partial Standard city and state programs
Drive time to City Center	3 min	1 min	8 min
Drive time to 746 Diligence Dr	3 min	3 min	8 min
Path to control	Direct negotiation: purchase or long-term ground lease; 60 to 120 days to agreement	Public disposition: proposal to the EDA, master plan conformance, City Council approval; 9 to 18 months	Direct negotiation after the owner's store opens (Nov 2026) and parcels are recorded; owner has stated the remainder is for future sale

Recommendation. Pursue Site 1 as the primary target and Site 2 in parallel as the public alternative; hold Site 3 with a letter of interest on file.

Parcel acreage, zoning and ownership from City of Newport News assessor and planning records, council and EDA actions and recorded permit files. Distances and drive times approximate. Nothing in this survey is an offer and no site is under contract. Prepared by CIVITAS CRES for Virginia Natural Gas, 9 November 2026.
